

• **APP Klarlack S Pro /APP Harter Klarlack S Pro**
Two-component Acrylic clearcoat / Hardener for acrylic clear coat

APP Klarlack S Pro - Two-component HS class clear Acrylic high gloss lacquer.

It offers time savings thanks to quick drying during works related to repairs of particular parts and whole car body, as well as high gloss.

UV filters ensure base coat colour fastness

Perfect levelling

Very good clarity

High colour depth

Two available hardener types, namely: **Standard** and **Fast** enable optimal choice according to temperature and area of coated surface.

APP Klarlack S Pro clear lacquer is resistant to weather conditions in different climatic zones.

Purposed for water-borne and traditional base coats.
