- 1 Backing
- 2 Adhesive

APP No Edge Tape

Self-Adhesive Foam Tape

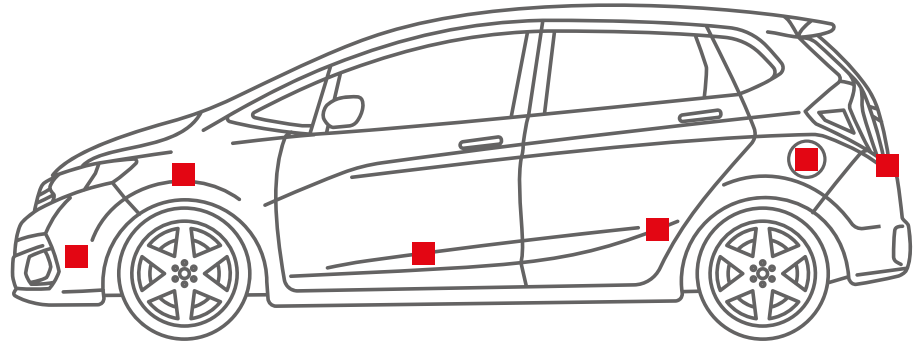

Application and Advantages:

NTools

FIELDS OF USE:

- Filler cap cover,
- Bumper, wheel arche and door,
- Masking plugs.

ADVANTAGES

+	Efficiently prevents top coat penetration inside the vehicle.	+	Provides a smooth transition between a fresh top coat and the protected surface.	+	Does not leave adhesive deposits after removal.
+	Resistant to high temperatures, solvents, primers and topcoats used during painting.	+	Resistant to high temperature (up to 95°C).	+	Highly elastic what improved adhesion to irregular surfaces. e.g. filler cap covers.
