

NTools TR 1501517U

Backing Disk compatible with SWR 03E/05E

TR 1501517U

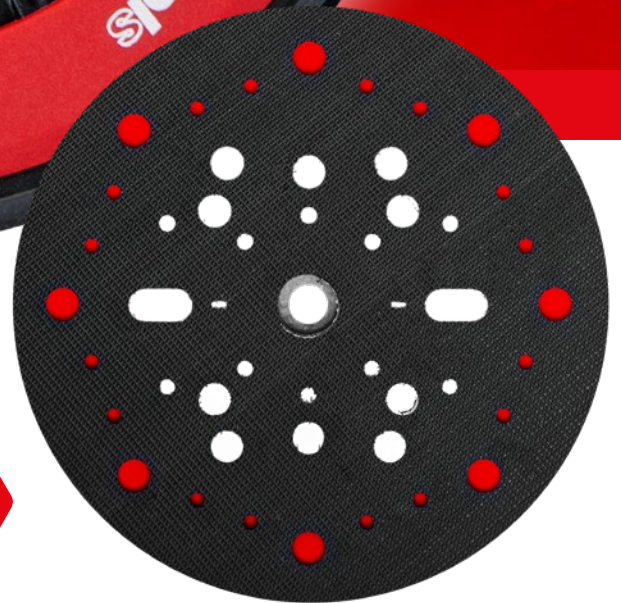

SET INCLUDES:

All-purpose multi-hole backing disk **NTools TR 1501517U** with Velcro compatible with abrasive disks provided with 8+8+1 or 8+6+1 holes (NTools, Quartz, Festool, 3M, etc.).

Set includes Allen key, as well as M8 and 5/16" threaded screw along with washers.

Backing disk is available as a part under Cat. No. 150570.

APP No.	Product Name	Diameter	Fixing	System	Thread	Qty
150570	NTools TR 1501517U Backing Disk compatible with SWR 03E/05E	150mm	Velcro	8+6+1 or 8+8+1	M8 & 5/16" (hex)	1

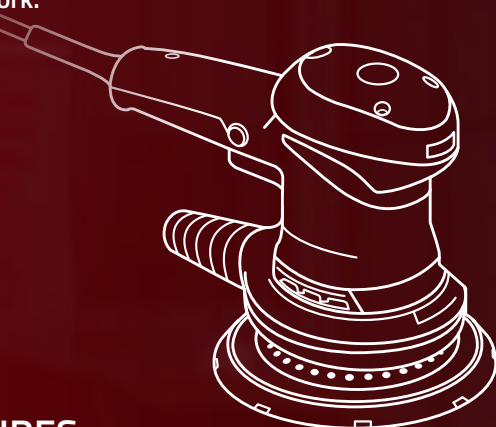

NTools SWR 03E/05E

Power Random Orbital Sander

APP No. 127003, 127005

High quality electric random orbital sander for professional use provided with powerful engine that ensures stable rotational speed also under significant load.

Compact and precisely balanced body ensures low noise level and vibration to provide comfort during work.

FEATURES:

Powerful engine **400W** seated on vertical shaft to ensure maximum stability and control during operation.

Rotary –orbital operation with **3mm** or **5mm** stroke of improved performance during grinding that ensures perfect finish.

Multi-function electronic system that ensures smooth start, rotational speed control and stable disk operation.

Conformance with European Standards confirmed with CE mark

NTools SWR 03E/05E

Power Sander

NTools

Design:

1 Robust and ergonomic body

Perfectly balanced body that decreases vibration and enables work for extended time without operator fatigue.

2 Rotational speed 6-level control

Smooth rotational speed control within range of 4000-10000 RPM and electronic module maintain stable rotational speed also under load.

3 Backing disk brake

Ensures safe disk stop after work finish.

4 All-purpose backing disk

Multi-hole backing disk dia. Ø150 with Velcro ensures efficient and smooth work with abrasive disks provided with 8+6+1 or 8+8+1 holes (Ntools, Quartz Festool, 3M etc.).

5 Partly rubberized handle

Improved grip ensures comfort during work.

6 Silicone power cord

Flexible 5m long cord.

7 Switch with lock

Ensures continual operation without pressing the trigger.

8 Dust extraction system

Connector dedicated for independent dust extraction system to ensure clean air and good vision during work.

NTools SWR 03E/05E

Power Sander

Each sander feature with
UNIQUE SERIAL NUMBER

located in the rear part of casing
(below switch)

923-173518

- SET INCLUDES:**
- Power Random Orbital Sander with backing disk $\varnothing 150$ mm
 - Set of carbon brushes
 - Backing disk Allen key
 - User Manual

Serial Number is also indicated in the Guarantee Card on the last page of User Manual and on the cardboard.

ADVANTAGES

<p>ROBUST AND ERGONOMIC BODY</p> <p>Light weight and robust plastic body provided with partly rubberized handle improves grip.</p>	<p>SOFT START</p> <p>Soft start ensures work comfort, improves control over the tool and reduces engine wear.</p>	<p>LOW VIBRATION</p> <p>Precise balancing ensure low vibration</p>	<p>DUST EXTRACTION SYSTEM</p> <p>Compatible with external dust extraction system.</p>
<p>ELECTRONIC SPEED CONTROL</p> <p>6-level smooth rotational speed control in range from 4000 to 10000 RPM along with electronic module for stable rotation ensure smooth operation and high quality of surface</p>	<p>ALL-PURPOSE BACKING DISKS</p> <p>All-purpose multi-hole backing disk with Velcro ensures efficient and reliable operation of abrasive disks provided with 8+8+1 and 8+6+1 holes (NTools, Quartz, Festool, 3M, etc.)</p>		

CAUTION!
NTools SWR 03E and NTools SWR 05E Power Random Orbital Sander is a counterpart of *Rupes ER 03TE* and *Rupes ER 05TE* sander as well as *Festool ETS 150/3 EQ* and *Festool 150/5 EQ* sander.
