

• NTools WUP Universal polishing cart

The **NTools WUP** is a practical and light universal cart intended for transport and storage polishing equipment and materials. The cart was designed in order to provide the user with comfort of work and quick access to the most frequently used tools all in one place. The **NTools WUP** features a stable structure, and its large, rubber wheels allow the operator to quickly move the cart along the workshop floor or the preparation area

- 1 The cart features space for two sanders and two polishers.
- 2 Adjustable arm height (160 - 194cm) enables mounting of electrical cords, thereby facilitating use of accessories.
- 3 Metal ring with a 29cm internal diameter intended for mounting a foil waste bag. The ring additionally features a handle operated clasp which enables stable bag fastening.
- 4 Hanger for cleaning cloths and paper towels enabling simple cleaning product dosing and roll replacement.
- 5 Ring intended for hanging a waste bag.
- 6 Set of 8 hooks.
- 7 Large, tilting rubber wheels with a 125mm diameter (2 with brakes and 2 without).

ZALETY:

- time saving thanks to quick access to tools,
- order and tidiness in the workshop,
- many possible applications,
- sturdy structure,
- low weight,
- high mobility,
- a tilting wheel set with rubber threads and brakes
- high capacity polishing articles bin.
