

## APP BR 01 Spray

### Brake cleaner

*BR 01 Spray APP BR 01 is active cleaning product with strong degreasing properties for brakes, clutches and oiled machines parts. It is neutral to rubber, plastics and painted surfaces. \**

BR 01 Spray allows for cleaning brake disks and drums (deposits from brake shoes), clutches tiles and linings from undesired oil or grease layer. It is suitable for degreasing pumps, carburetors, cylinders and other machines parts. Necessary during repairs and installations in industry and workshops.

#### APPLICATION:

##### FOR CLEANING AND DEGREASING OF ELEMENTS:

- brake, clutch and drum discs
- and brake calipers,
- differentials,
- MacPherson columns,
- metal surfaces,
- parts and tools,
- eliminates sticky and seized dirt
- containing oils, greases and brake fluid,
